

2021-2022 MA FIRST Tech Challenge State Championship

March 5, 2022

FIRST and Venue Policies Agreement Document

All competing teams must Acknowledge they have read and agree to the following policies to participate in the event.

FIRST Policy:

- Safety glasses must be worn as eye protection in the pits and in the competition area by everyone
- No team, team member or event attendee is allowed to set up their own wireless communication in the venue. **The penalty for violation is disqualification.**
 - Cellular hotspot (cell phones, tablets, Mi-Fi)
 - Ad hoc networks
 - Nintendo DS peer to peer
 - Bluetooth communications with robots in the competition area

Venue Policy:

- No food or drinks in the gym with the exception of water.
- Only soft soled, non-marking shoes (sneakers) are allowed on the pit and competition area.
- Carts are not allowed in the competition area. Parked carts are allowed in the team pit **ONLY** if they are on heavy weight cardboard or similar floor protection. Do not roll carts on the floor at any time.
- Robot repairs should be done on your cart or table. Do not work on the floor or drive the robots on the floor.
- You are provided one (1) power outlet at your pit table. Do not use any other outlets in the venue.

I have read and my team agree to the *FIRST* and VENUE policies.

Students and mentors found in violation of these policies will be ejected from the pit and competition area for the remainder of the day.
